Mood Board Polling Results
26 January 2022

On-line Community-wide Results

Approximately 100 members from the community participated in the Mood Board Survey that was posted to ImagineVerdae.com in early January 2022. This input generated about 2600 (like/dislike) responses. The top responses have been summarized on pages 3-5 to show what sample images community participants liked best.

Legacy Square Working Group Results

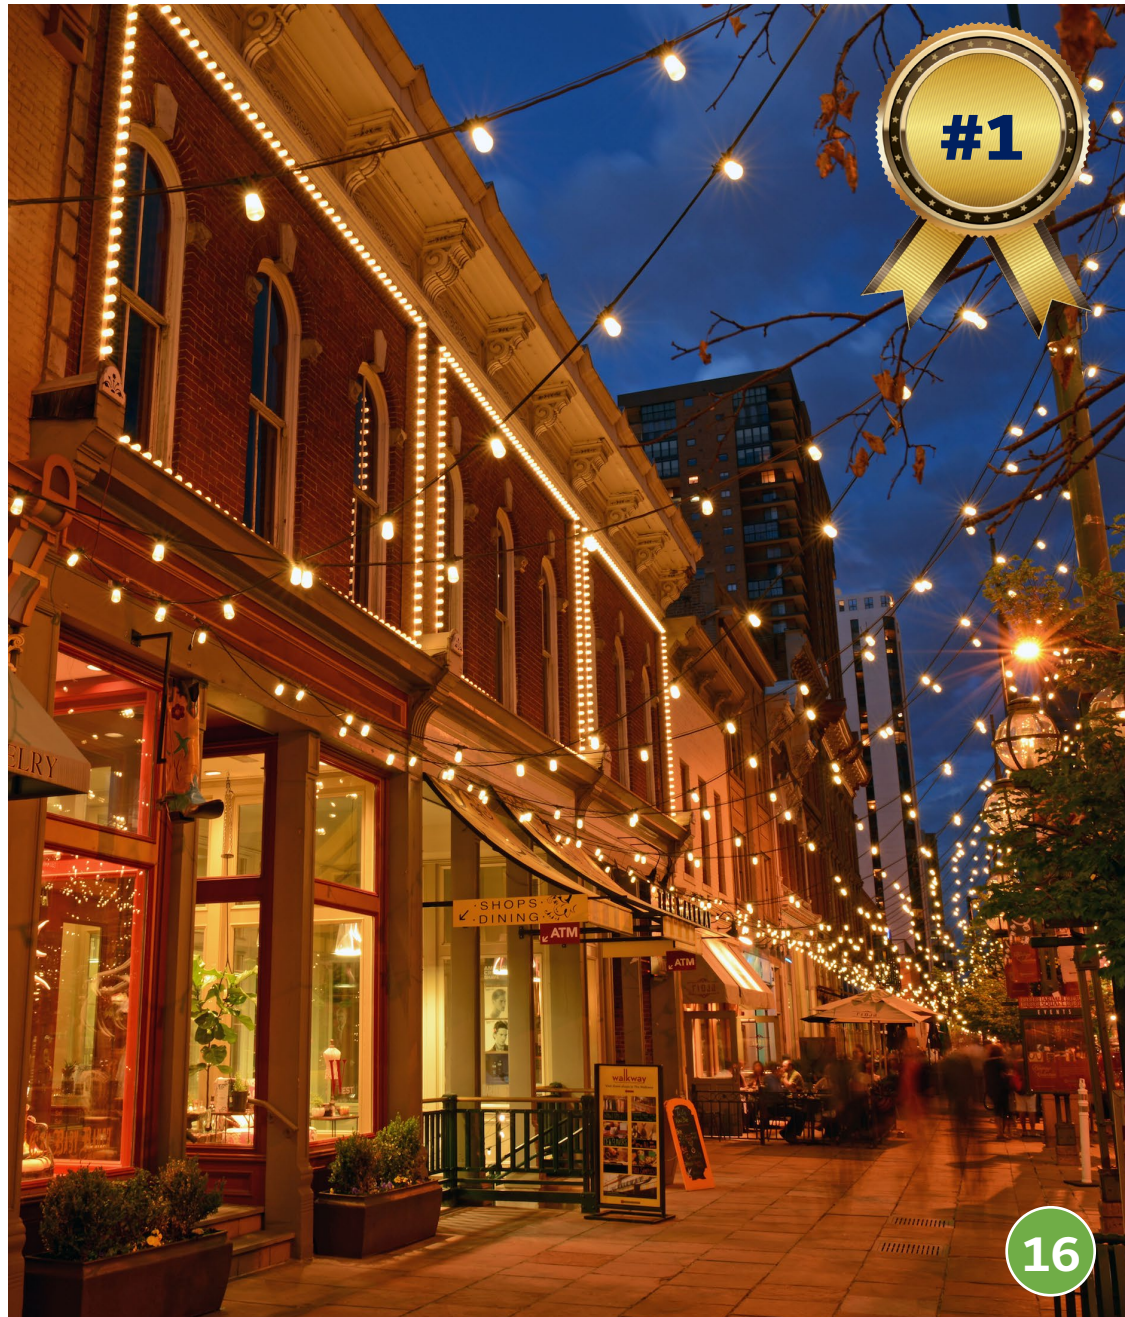

In comparison, the working group members provided their input and found the following images to be the most desirable. The take-away from the planning team is that the preferences from both groups (the Community and the LS Working Group) were quite similar.
